

*Binghamton, NY - Congressman Maurice Hinchey released the following statement following the State University of New York Board of Trustees naming of Harvey G. Stenger Jr. as President of Binghamton University.*

"Harvey G. Stenger Jr. has the right combination of experience to lead Binghamton forward in a new era of excellence. His background as an engineer will help strengthen the University's links to area technology companies and ensure a continuation of BU's growth as one of the finest research institutions in the country. I applaud Chancellor Nancy Zimpher on successfully conducting the exhaustive search, and thank current President C. Peter Magrath for his service and strong leadership."
